

# Valley of Rochester Scottish Rite Children's Foundation

Our Children's Foundation was established in 2007 as a 501 (C) (3) charitable institution. It provides a means for individuals to extend the influence of their lives beyond their lifetime. It is governed by an independent board of directors.

## Our Mission Statement

The Valley of Rochester Scottish Rite Children's Foundation is dedicated to providing funding for quality, state of the art learning services to children in need regardless of race, color or creed or ability to pay. We strive to include the whole family in the therapy process, so that all are involved and empowered to help the child become a successful life-long learner. We believe every child should have the opportunity to become the very best they can be.

Our Foundation has entered into a partnership with The Reading Center, a world-class treatment center for childhood language disorders in Rochester, Minnesota. Our role in this partnership primarily involves the funding of costs for those children in need of their services who might not be able to afford the necessary testing and treatment.

All gifts to the Foundation qualify as tax-exempt charitable contributions under both Federal and State of Minnesota rules. Gifts may be made in many convenient forms, including:

- Immediate Donations
  - Deferred Gifts
  - Memorials
- Gifts of Life Insurance
  - Gifts under Will
  - Securities
